

## Acceptable Proof of Residency Documents

Remember: Make sure the document you bring shows your current address. If you bring a document that is listed, but does not contain your address, that document will not be accepted. For example: if you receive a paycheck, utility bill, etc. and your address is listed on the envelope but not on the bill itself, make sure to bring the envelope, because the bill will not be accepted.

**PLEASE NOTE: All documents are subject to verification with the issuing agency or source. Documents subject to verification may delay the issuance of your permit, driver license, identification only license, or certificate for driving. No photocopies will be accepted!**
